Dear Ms Lappe,

This letter is in regards to the December 4, 2013 compliance check of your Category C-1, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. This letter is to inform you that you have met all standards of compliance and no corrective action is necessary at this time.

I thank you for the valuable, quality child care services you are providing to working families in Iowa.

Please contact me at 515-993-1742 if you have any questions. Thank you for your time!

NOTE: Inquires were made surrounding your question regarding centralized training to assist providers in organization of their documents. No one seems to be aware of any online tracking system for training history, however, it may be a tool that Child Care Resource and Referral is using. I would suggest calling CCR&R at 1-800-722-7619 to inquire further about this question.

Sincerely,

Melissa Crawford, LMSW
